The Elders of Fountain of Life International, Assembly of God ("The Fountain") are excited to introduce our new Pastors, **Mark and Teresa Olson**. We are honored to have Pastor Mark assuming the role of Senior Pastor at The Fountain, and are thrilled to have Teresa joining our pastoral team.

Mark and Teresa have been serving at Mount Olivet Assembly of God in Apple Valley, Minnesota for the past 31 years. Mark has been the Lead Pastor at "The Mount" for over 23 years. Prior to that, Mark served The Mount as both youth pastor and worship leader. He graduated from North Central University in 1985, and was ordained with the Assemblies in 1996. Mark is passionate about prayer. He has chaired the Minnesota Ministry Network prayer committee for over fifteen years, and leads an annual prayer retreat for the MNAoG organization.

Teresa is a licensed minister with the Assemblies of God. She has served Mount Olivet, both as worship leader and in an administrative capacity. She has also been active in the Minnesota Ministry Network, leading worship for state-wide services and events.

They have two adult children, both credentialed with the Assemblies of God, and both are active in full time ministry. They have one granddaughter, and are expecting their second grandchild in August.

The Olsons are transitioning out of their current pastoral assignment, and hope to join us at The Fountain in August.
